August 10, 1995
9:10 am

To: Hollis Friedman, PR
Company: Cook County Forest Preserve
Phone No.: (708) 771-1574

Recorded by: Christine Karas, Project Geologist

Ms. Friedman stated that the Cook County Forest Preserve, which is located along Thorn Creek and the Little Calumet River, is used for recreational purposes. The preserve contains picnic areas and bike and hiking trails. Fishing is not permitted in Thorn Creek or the Little Calumet River. Fishing is permitted in designated areas only. Wampum Lake is the only body of water Cook County Preserve permits people to fish and it is not part of the surface water pathway. People are not allowed to swim in Thorn Creek or Little Calumet River for safety reasons. Green Lake in Calumet City is the only area where people are allowed to swim, and it is not located along the surface water pathway.
